

Family Health Center of Marshfield, Inc.
NEW Mobile Medical Services - East

Our History

Family Health Center of Marshfield, Inc. (FHC) is a federally qualified health center serving our community since 1974. FHC provides medical, dental and substance use disorder services for all ages and all abilities to pay. FHC will not turn away any patients based on their ability to pay.

NEW for FHC! We are Providing Medical Care in our Mobile Units

Who Can Receive Medical Care?

All ages and all persons are welcome no matter what their ability to pay. FHC's Patient Assistance Center will help you find solutions to ensure you are able to receive necessary medical services.
