**See separate brochure.**

# **ACCEPTABLE ITEMS**

## **Include but not limited to:**

Herbicides	Pesticides
Cleaners	Solvents
Anti-freeze	Varnish/Stain
Fertilizer	Weed Killer

Paint Thinner & Stripper  
Mercury Waste/Thermometers  
Driveway Sealer  
Aerosol Cans (empty cans go in garbage)  
Batteries: Rechargeable, Pacs, Hearing Aid, Cell Phone, Button  
\*Oil Filters (first 10 FREE) Households/Farms only  
\*Fluorescent/CFL Tubes (first 50 FREE) Households/Farms only  
Oil-Based Paints ONLY (no latex – can be disposed of by drying out & placing in garbage)

**\*THIS IS A FREE DISPOSAL OF CHEMICALS EXCEPT THOSE AS NOTED**

## **Who Can Participate?**

Any Taylor County landowner, farmer or household member who has unwanted household or agricultural chemical wastes is eligible to participate for FREE. Businesses will be charged a minimal fee. All businesses must Pre-register.

## **Is Pre-registration required?**

Pre-registration is necessary for agricultural chemicals over 200 lbs. This is to prepare personnel for the expected chemicals and schedule a time for bringing them to the site. It also helps identify any “UNKNOWN” chemicals. PLEASE report all UNKNOWNs.

**Pre-register by May 30**  
**Taylor County Zoning Dept. at 715-748-1485**

---

### Guidelines

1. **DO NOT** mix chemicals together.
2. Pre-registration of agricultural chemicals and businesses is necessary by **May 30**.
3. Chemicals must be left in their original containers for identification.
4. If original container is damaged, place container and contents in a cardboard box lined with a plastic bag and cat litter.
5. Households or farms are free; businesses are charged a nominal fee.
6. Refer to the drop-off and unacceptable lists to determine if Clean Sweep can accept your chemicals.

*PLEASE CONTACT THE TAYLOR COUNTY ZONING OFFICE FOR  
MORE INFORMATION*
